A MESSAGE FROM THE PRINCIPAL

Welcome back to all parents, teachers, faculty and students. **One of our main focuses for this year is "Leadership."** We are searching for the leader in all of our students. Students have been assigned leadership roles in their classrooms. Some students serve as greeters, line-leaders and hall monitors. These leadership roles help empower our students by giving them an extra sense of purpose at school. Lets look for leaders, and we will find them.

New Entrance and Exit Signs for M.E

For the safety of everyone, the M. E. Lewis Administration installed new entrance and exit signs in front of the building. It is very important that parents, teachers and visitors obey the signs and parking regulations when visiting the campus. Please do not exit the campus through the entrance area. No parking is permitted in the horseshoe area in front of the building. We are asking everyone to please park in the designated parking spaces. The penalty for violating these rules could result in the owners vehicle being towed.

COUNSELOR'S CORNER

Hello Everyone,

As you are embarking on this new year just know that I am embarking on this journey with you as this is my first school year as your counselor.

As students you may feel pressured or stressed to do your very best in your classes, but always remember the two factors in the 7 Habits, "Be Proactive" and "Begin with the end in mind." What I mean is to always be responsible for you and your actions. For example if you want to make the honor roll you make it happen by studying more or asking for help. No one can complete these goals but you, but just know that you will receive help from your teachers, parents and counselor. I wish you all well and many successes in your life.

Sincerely, Ms. L. Wilson
